Dear Sirs

Acknowledgement of Grant for 2016 and Application for Grant 2017

As Treasurer of Eden Valley Flix I am writing on behalf of its committee to thank Ainstable Parish Council for the grant of £250 received in August 2016 and to request a further annual grant of £250 for the year 2017.

Eden Valley Flix is in its tenth year of operation and, whilst it makes a very small surplus on running costs, it still requires grant aid in order to fund major items, in this case annual public liability insurance and the licence for the screening of films. We obviously greatly appreciate the support so far given by the Parish Council and hope you will continue to look favourably on the film club.

Yours faithfully

Belinda Wilson
Treasurer
