To the Clerk of the Parish Council

For many years Parish Councils have made generous and voluntary donations to Fellrunner on behalf of their constituents who benefit from our service. These much appreciated donations to our Charity help us to keep our 'life line' services going and more recently to replace services lost to some villages as commercial bus operators have been withdrawn.

Fellrunner is a 'not for profit' charity and all our drivers, helpers and 'management' are volunteers. With community support we have grown from our start in 1979 to our current coverage of over 40 villages in over 20 Parishes.

Our records allow us to identify below just how many passenger journeys have been made on Fellrunner buses by villages within your Parish to give you an idea of the size of the need being met. Last year Parishes donated on the basis of 30p per passenger journey although many of you generously gave more, for which many thanks.

As always a representative of Fellrunner is always will to come and speak about what we do at a Parish meeting and we would also be grateful if you could advertise our continuing need for volunteers to drive or help in other ways. (contact number above)

Yours sincerely

Jill Hay

Chairman Fellrunner Village Bus

Based on passenger journeys made in your Parish during the last twelve months, your donation at 30p/journey would be ~~...~~147.60.....(although any contribution you feel able to give is welcome)
