Solar Lighting Project

After conducting a survey amongst residents regarding lighting in the parish, Ainstable Parish Council identified a number of locations where solar-powered lighting would be valuable. These locations have been visited by a possible supplier and further investigated by Cllr Wise. The outcome is shown in the table below:

Location	Comment	Recommendation – should solar lights be progressed at this location?
Ainstable Church Institute	Supplier has indicated that this would be a viable location for a light. Cllr Wise has had positive discussions with representatives from the committee who are keen to have solar lights installed	Yes
Ainstable Shelter	Supplier has indicated that this would be a viable location for a light	Yes
Ruckcroft Shelter	Supplier has indicated that there is too much tree cover to make this a viable location	No
Newbiggin Shelter	Supplier has indicated that there is too much tree cover to make this a viable location	No
Croglin Village Hall	There is an existing light at this location	No
Towngate	It has not been possible to identify a suitable site at this location.	No
